

NATIONAL PARK OF JAU PLUS - 6 Days/5 Nights MANAUS – 3 Days/2 Nights

Explore the Amazon's Hidden Paradise

Anavilhanas Archipelago | Ruins of Airão Velho | Reserva Meduini

Discover the world's largest freshwater forest park, where untouched nature meets rich cultural heritage. The Jaú National Park remains a mystery to many, with its remote waterfalls, winding creeks, and diverse wildlife. Encounter monkeys, sloths, dolphins, and vibrant bird species as you navigate its waters. During the dry season, giant otters make their grand appearance. Experience authentic riverside communities where the essence of Northern Brazilian culture thrives. This adventure takes you through the park's intricate water system, formed by the Unini, Carabinani, and Jaú rivers. Whether trekking through the towering trees of the **Igapó Forests** or exploring the **Firm Land Forests**, home to trees soaring over 35 meters high, this journey offers an unparalleled immersion into the Amazon.

Why Visit?

- **No Mosquitoes:** The Rio Negro's natural waters act as a repellent, offering a comfortable experience.
- **Unmatched Biodiversity:** Experience one of the most pristine and protected regions of the Amazon.
- **Cultural Immersion:** Interact with riverside communities and learn about their unique traditions.

Recognized Natural Wonder: Declared a **UNESCO Natural World Heritage Site** in 2003.

Perfect for those seeking a comprehensive Amazon adventure in a shorter timeframe!

Day 1: Journey to Jaú National Park

- **Morning:** Pick-up from hotel/airport and transfer to Novo Airão in an air-conditioned vehicle.
- **Afternoon:** Boarding, welcome speech, and multimedia introduction to the Amazon biome.
